

We are Alcatel-Lucent Enterprise

Our Mission

To make everything connect by delivering digital age networking, communications and cloud solutions with services tailored to ensure our customers' success.

In the Cloud. On Premises. Hybrid.

Our Vision

To deliver the customised technology experiences our customers need.

To Make Everything Connect.

Alcatel-Lucent Enterprise delivers the customised technology experiences enterprises need to make everything connect.

ALE provides **digital-age networking, communications and cloud solutions** with services tailored to ensure customers' success, with flexible business models in the cloud, on premises, and hybrid. All solutions have built-in security and limited environmental impact.

Over **100 years of innovation** have made Alcatel-Lucent Enterprise a trusted advisor to **more than a million customers all over the world**.

With headquarters in France and **over 3,400 business partners worldwide**, Alcatel-Lucent Enterprise achieves an effective global reach with a local focus.
