

Alcatel-Lucent Enterprise Aries 10 Series Headsets

Affordable headset for daily communication

The Alcatel-Lucent Enterprise Aries 10 Series headsets offer a rich communication experience with super light-weight and good quality. Mono and Duo set with RJ9 interface are suitable for various communication scenarios, large call center, office applications, VoIP applications etc.

Clear voice: high-definition speakers, focus on voice frequency to improve voice quality.

Noise-cancelling: noise cancelling microphone reduces background noise and interference, highlights your voice and improves call quality.

Large earpiece: the headset is designed with large earpiece, aiming to reduce the pressure on your ear.

Super light-weight: Mono set<50g, Duo set<65g. Headset is suitable for long-term wearing.

Features	Benefits
High-definition speaker	Receive a clear speech from the interlocutor
Noise-cancelling microphone	Reduce the impact of background noise to improve call quality
Large earpiece	Reduce the pressure on your ear
Super light-weight	Suitable for long-term wearing
Flexible microphone boom	Flexible connections
